- (c) 1 and 3 only
- (d) 1, 2 and 3

Answer: (a)

3.India AI Impact Summit 2026: Landmark Global Declaration and Major AI Investment Commitments

इलेक्ट्रॉनिकी एवं
सूचना प्रौद्योगिकी मंत्रालय
MINISTRY OF
**ELECTRONICS AND
INFORMATION TECHNOLOGY**

- The summit brought together global policymakers, industry leaders, researchers, and startups.
- A comprehensive declaration emphasized ethical AI, transparency, and inclusive growth.
- Significant investment pledges were announced to strengthen AI infrastructure and innovation ecosystems.
- The discussions focused on AI for public good, governance, healthcare, agriculture, and education.
- India reiterated its commitment to building trustworthy AI frameworks. The summit aligned AI growth with data protection, cybersecurity, and digital sovereignty.
- It positioned India as a key player in shaping global AI norms.

BACKGROUND / CONTEXT

Artificial Intelligence in India

India has prioritized AI through initiatives such as:

- National AI Mission
- Digital Public Infrastructure (DPI)
- AI for All vision
- Public-private innovation partnerships

Key Institutional Role

The Ministry of Electronics and Information Technology (**Ministry of Electronics and Information Technology**) plays a central role in AI policy and digital governance.

Global AI Governance Context

AI governance discussions globally focus on:

- Ethical standards
- Bias mitigation
- Data privacy
- Transparency and explainability
- Responsible innovation

Strategic Importance

- Enhances India's digital economy.
- Supports startup and deep-tech ecosystems.
- Strengthens AI-driven public service delivery.
- Encourages global collaboration in emerging technologies.

KEY HIGHLIGHTS

- **Global Declaration:** Focus on ethical and responsible AI.
- **Investment Commitments:** Major funding announcements in AI R&D and infrastructure.
- **AI for Public Good:** Healthcare, agriculture, education use cases.
- **Startup Ecosystem Boost:** Support for innovation and incubation.
- **Data Governance:** Emphasis on privacy and cybersecurity.
- **International Collaboration:** Multi-country participation.
- **Way Forward:** Regulatory clarity and skill development in AI domains.

PRELIMS BOOSTER BOX

- **AI:** Simulation of human intelligence processes by machines.
- **DPI:** Digital Public Infrastructure (e.g., Aadhaar, UPI, DigiLocker).
- **MeitY:** Nodal ministry for digital governance.
- **Ethical AI:** Fair, transparent, and accountable AI systems.
- **Explainability:** Ability to understand AI decision-making.
- **Deep Tech:** Advanced technology based on scientific innovation.
- **Digital Sovereignty:** Control over national digital infrastructure and data.

PadhAI-GENERATED UPSC MCQ

Consider the following statements:

1. The Ministry of Electronics and Information Technology is responsible for AI policy initiatives in India.
2. Ethical AI governance includes transparency and bias mitigation.
3. Digital Public Infrastructure refers exclusively to private sector digital platforms.

Which of the statements given above is/are correct?

- (a) 1 and 2 only
- (b) 2 only
- (c) 1 and 3 only
- (d) 1, 2 and 3

Answer: (a)

4. Union Minister Raksha Khadse Announces Nationwide ASMITA League to Mark International Women's Day

- The ASMITA League aims to promote women's participation in sports across India.
- The initiative aligns with the vision of women-led development and grassroots sports empowerment.
- It seeks to provide structured competitive platforms for young women athletes.
- The programme encourages greater community engagement and youth participation.
- It also strengthens India's sports ecosystem under the Khelo India framework.
- The league promotes inclusivity and equal opportunities in athletics.
- The initiative marks a convergence of sports promotion and youth mobilization.

BACKGROUND / CONTEXT

ASMITA League

- Focused on women athletes across disciplines.
- Encourages participation at district, state, and national levels.

- Aims to nurture talent and improve sports infrastructure access.

Khelo India Programme

Launched to:

- Revive sports culture at the grassroots level.
- Identify and support talented athletes.
- Provide scholarships and training support.

MY Bharat (Mera Yuva Bharat)

- Youth-focused initiative.
- Encourages civic participation and nation-building.
- Promotes skill, sports, and leadership engagement.

Gender & Sports Policy Context

- Emphasis on increasing female sports participation.
- Aligns with SDG 5 (Gender Equality).
- Supports India's Olympic and international sporting ambitions.

KEY HIGHLIGHTS

- **Nationwide Rollout:** Multi-level competitions for women.
- **Joint Initiative:** Khelo India & MY Bharat collaboration.
- **Women Empowerment:** Focus on leadership through sports.
- **Grassroots Engagement:** District-level inclusion.
- **Talent Identification:** Structured competition pathway.
- **Youth Mobilisation:** National participation drive.
- **Way Forward:** Institutionalized annual women-centric leagues.

PRELIMS BOOSTER BOX

- **Khelo India:** Flagship sports development programme.
- **MY Bharat:** Youth mobilization initiative.
- **SDG 5:** Gender Equality goal.
- **Grassroots Sports:** Community-level athletic development.
- **Women-led Development:** Policy focus on female leadership.
- **Sports Scholarships:** Financial support for athletes.
- **Talent Pipeline:** System for identifying and training athletes.

PadhAI-GENERATED UPSC MCQ

Consider the following statements:

1. Khelo India aims to promote sports culture at the grassroots level.
2. MY Bharat focuses exclusively on Olympic athlete training.
3. Increasing women's participation in sports aligns with SDG 5.

Which of the statements given above is/are correct?

- (a) 1 and 3 only
- (b) 1 only
- (c) 2 and 3 only
- (d) 1, 2 and 3

Answer: (a)

5. Advancing Self-Reliance and Export Resilience: India's Growing Global Footprint

- India is strengthening domestic manufacturing while expanding export competitiveness.
- Production-Linked Incentive (PLI) schemes have boosted sectors such as electronics, pharmaceuticals, and renewables.
- Export diversification has reduced overdependence on select markets.
- Strategic trade agreements are enhancing global market access.
- Supply chain resilience is being prioritized in critical sectors.
- The policy focus combines self-reliance with global integration rather than isolation.
- India's export growth reflects structural transformation in manufacturing and services.

BACKGROUND / CONTEXT

Atmanirbhar Bharat

- Focus on domestic manufacturing capacity.

- Reduction of critical import dependence.
- Promotion of MSMEs and innovation.

Policy Instruments

- PLI Schemes
- Ease of Doing Business reforms
- Digital Public Infrastructure
- Trade facilitation measures

Institutional Framework

The **Ministry of Commerce and Industry** leads trade policy and export promotion initiatives.

Export Resilience

- Diversification of export baskets.
- Expansion into emerging markets.
- Strengthening value chains in electronics and pharmaceuticals.
- Leveraging Free Trade Agreements (FTAs).

KEY DRIVERS OF EXPORT GROWTH

1 Manufacturing Push

Electronics, defence equipment, automobiles, and pharmaceuticals have witnessed capacity expansion.

2 Trade Agreements

India has signed or negotiated multiple FTAs to widen market access.

3 Services Exports

IT, financial services, and professional services continue to drive surplus growth.

4 Supply Chain Integration

Integration into global value chains enhances competitiveness.

STRATEGIC SIGNIFICANCE

- Reduces vulnerability to global shocks.
- Strengthens foreign exchange reserves.
- Enhances employment generation.
- Boosts India's geopolitical leverage through trade partnerships.
- Supports the vision of becoming a developed nation by 2047.

3. Self-reliance necessarily implies complete disengagement from global trade.

Which of the statements given above is/are correct?

- (a) 1 and 2 only
- (b) 1 only
- (c) 2 and 3 only
- (d) 1, 2 and 3

Answer: (a)

PRELIMS BOOSTER BOX

- **Atmanirbhar Bharat:** Self-reliance initiative launched in 2020.
- **PLI Scheme:** Incentive linked to incremental production.
- **FTA:** Free Trade Agreement reducing trade barriers.
- **MSME:** Micro, Small and Medium Enterprises.
- **Trade Diversification:** Expansion to new markets/products.
- **Value Chain:** Production stages across countries.
- **Export Resilience:** Capacity to sustain trade amid disruptions.

PadhAI-GENERATED UPSC

MCQ

Consider the following statements:

1. Production-Linked Incentive (PLI) schemes aim to boost domestic manufacturing and exports.
2. Export resilience requires diversification of products and markets.
